The Guarantors agree to indemnify the Certificate Holder in respect of the cost of making good defective workmanship or faulty materials in the original Installation at the Location described above, where the Installer has ceased trading as defined overleaf.

The amount payable hereunder shall not exceed the Installation Value as stated above plus a sum of up to £500 in respect of any surveyors charges payable in proving any claim.

This Certificate is effective for the period indicated and is automatically and freely transferred to subsequent owners of the property.

Claims Procedure

In the event of any defect arising in the Installation the matter should immediately be reported to the Installer.

If the Installer has ceased trading the Administrators for this insurance must be advised within 30 days together with all details and proofs as may be reasonably called for.

Please read carefully the Exceptions and Conditions detailed overleaf.
